

We Offer

Little Lambs strives to provide opportunities for children to learn in many ways.

- * **Programming** encourages respect of others while fostering a sense of responsibility for oneself and individual actions that helps prepare each child for the school years ahead.
- * **Small class size** (5:1 ratio) allows for children's needs to be addressed, whether to move on to more advanced skills, or reinforcing areas of concern, allowing the child to grow and **mature at their own rate** as they prepare for kindergarten.
- * **Balanced programming** allows staff to assist the child in his/her style of learning
- * **Kindergarten readiness skills** to help prepare four-year-old students for success in kindergarten. Little Lambs uses guidelines of area school districts.

Our Day

- * **Circle Time:** Lively discussion about the theme, weather, calendar, assignment of classroom jobs, number and/or letter of the week
- * **Discovery Time: Use of themes and fun activities** help encourage a child's desire to learn about their world, with time for **discovery** through hands-on experiences, art projects, learning centers, group work, and motor activities
- * **Small Motor Development:** Various fun & creative techniques of sensory exploration to foster small muscle control for skills such as cutting and writing. As children progress they practice writing upper and lower case letters, and learn sounds of vowels and consonants
- * **Music: Creative music** led by a music teacher meets weekly with each class.
- * **Snacks:** Time to re-energize and socialize
- * **Bible Time:** Bible themes are incorporated into daily class activities through **music, science, art** and **stories** as well as Weekly **Chapel talks** with **Biblical themes**
- * **Math, Science, and Reading:** These concepts are incorporated within table, circle, group, and discovery times. Concepts of numbers, numerical sequence, and value.
- * **Active Play/Large Motor Development:** Large outdoor fenced in playground for large motor skill development. Large indoor play area with climbers, bikes and scooters are incorporated in the schedule on days with inclement weather.
- * **Washroom Routine:** A great opportunity for practicing toilet training through peer role modeling.

W elcome!!!

We are excited to introduce ourselves to you!

Little Lambs Preschool's primary purpose is to provide a quality, loving Christian atmosphere to encourage growth for children and their families by providing a loving and safe environment that fosters social, academic and spiritual health. We feel that a quality education in a Christian setting is important for all children.

Little Lambs Preschool utilizes both an **academic & Christian-based** curriculum. Our staff works in partnership with families in forming a foundation. In this setting, we strive to provide rich educational experiences. It is through partnership and positive example that children are most successful.

Little Lambs Preschool, a ministry of Immanuel Lutheran Church, was established as a Christian Preschool in 1996 with a desire to serve the community through education, care and service.

We do this in response to the Biblical teaching:

"Bring up a child in the way he should go. . ."

—Proverbs 22:6
